FAREWELL NOW OUR FRIEND

We love you our friend. You're quite dear to us. A true friend you are and always will be. But you left us now and gone your own way. And we know we will meet in the future someday. You left us with the memories of the good times we had, to treasure forever and make us feel glad. So farewell now to our friend, and we want you to know we will be thinking of you always where ever we go.

Love always, Debby and Cindy
